

Privacy Notice

The protection of confidential information as well as respecting our customers privacy are values we as Solid Optics EU N.V. hold in very high regards. For this reason we are committed to do everything in our power to ensure your (personal) data is not only treated with the utmost care and confidentiality, but also safeguarded to the best extent possible as per the applicable European (General) Data Protection Act/regulation.

Any usage of this website is voluntarily and any submission of information (either express or not) is done with you explicit consent. By using our website and/or placing orders based on information provided through our website you acknowledge to have read, understand and agreed with our Policy as detailed here below.

Any information provided by you to us, either on the basis of a (non-binding) inquiry, by means of an offer/order/request or any other basis as may be the case (“the Request”), may be processed/collected by us if such is required to provide you with the best service possible and/or in order to guarantee that any Request will be executed with the utmost care (“the Purpose”). This includes information related to (business/first and family) names, phone numbers and (email) addresses. When providing any such information either spontaneously or on express request it is understood and agreed that such information transmission is done with your explicit understanding and consent that the provided information may be processed.

In case you wish to withdraw your consent please send an email to: infous@solid-optics.com. Any such request will be handled with great care and processed within one (1) month after receiving such request. Any (personal) information will be saved for as long as prescribed by Dutch Law, yet no longer then needed for the due execution of the purpose for which the (personal) information was/is collected and/or processed.

Any information regarding payments may be transferred to a third party for collection purposes.

By using this website you further allow us to use cookies and various other web analytics tools such as Search Engine Optimization (SEO) for the purpose of analysing the use of our website in order to further enhance our website for future use. IP addresses are collected for this purpose under the strict limitation that we nor any third party involved in analysing the website usage (such as for example Google) associates your IP address with any other data, link, or seek to link, an IP address with the identity of a computer user or associates any data with any personal data. We do not use statistical analytics tool(s) to track or to collect any personally identifiable information of visitors to our website. By continuing to browse this website without changing your web-browser cookie settings, you are agreeing to our use of cookies for the Purpose. For any further information about controlling or deleting cookies please visit <http://www.aboutcookies.org>.

This website has security measures in place to protect the loss, misuse, and alteration of the information under our control. Further, this website contains (affiliate) links to some other sites. We are not responsible and don't accept any liability and/or accountability for the privacy practices or the content of such other website(s)(owners).

The content of this website, including all IP-rights such as brands, logo's drawings, pictures, images, texts and the likes as proprietary information of Solid Optics EU N.V. or any of its affiliates and may not be used (copied distributed, processed etc) without our written consent.

Even though the content of this website is written with the utmost care and attention we can't guarantee that the content thereof is accurate and complete. We are not (and cannot be held) liable for any

inaccuracy/incompleteness of information provided on our website nor for the consequences thereof. Quotation(s), Sales Order(s) and/or Purchase Order(s) submitted by us (or you towards us) are solely subject to our General Terms and Conditions as published on our website (<http://solid-optics.com/content/terms-and-conditions-of-use-id3> and <http://solid-optics.com/content/TCforsuppliers-id72>).

Solid Optics EU N.V. is subject to the Dutch Data Protection Authority. In case of any complaints regarding our website including this Policy and or the execution therefore please contact us first at the address detailed below.
